

Curtin Emergency Notification Plan - International

Applies to all Curtin-approved activities

In a Life Threatening Emergency
i.e. Natural disaster;
Life threatening incident – security or health;
Immediate medical health response required.

Contact International SOS on +61 2 9372 2468
Cite Membership No: 12AYCA656047
Provide your name, location and situation, and follow their instructions and advice. **IMPORTANT: Before contacting police due to any cause, check with International SOS, laws vary overseas and you may put yourself at risk**

Inform your Next of Kin, contact your Curtin Fieldwork Coordinator/Line Manager as well as your Host Organisation Supervisor. If you are unable to reach your Curtin Fieldwork Coordinator, contact Curtin Critical Incident Risk Management, per below number

Fieldwork Coordinator notifies relevant Head of Area and Critical Incident Risk Management

Head of Area notifies Faculty Dean International if appropriate

Note: Even if the event or incident has been resolved, you will still need to contact your Curtin Fieldwork Coordinator/Line Manager, to keep them informed. Please also report the [incident online](#), if it relates to a Health and Safety issue, as soon as practicable.
